You were called home to His loving arms and your beloved daughter at His side. It is comforting to know you are both together now and at peace.

“ Doris was a shy little girl. When our Uncle Edmund would come to the house, she would run into the bedroom and crawl under the bed. Her twin brother would join her to give her company. No one could get her to come out from under the bed. By high school she was well over her shyness, and went on to become the captain of the cheerleaders. No small thing at St. Mary's. Doris, I will miss your smile and your funny sense of humor. After years of suffering, you are not at peace. May the angels lead you into Paradise.
I love you, your sister Connie

“ I loved my grandma Doris dearly. I have not been able to see her for many years and it saddens me to hear that she has passed away this week. I know she will be greeted with open arms by little Connie and I can only imagine the catching up that those two will be having. Grandma Doris was a beautiful soul, so loving and caring and I can remember when I saw her as a child how warm and embracing her hugs were. I love grandma Doris and little Ardyn is blessed to have such a wonderful angel looking out for him and for my sister and I. Rest in peace and always keep smiling. Love you dearly, miss you with all my heart.
