“ *Though I didn't get to be with my Aunt Dee Dee very often, I have very fond memories of her. I always loved going over to visit Aunt Dee Dee, Gramma, and my cousins when I was little and playing together. I remember her little dog Punky from way back and the other little more recent dog she loved. I loved visiting with her and Gramma when I was older and talking about our family history. I loved hearing family stories and news and laughing together. I loved being with her and Aunt Marilyn and listening to them banter back and forth! I remember Aunt Dee Dee as a hard worker who liked everything to be very clean. In my memory, her home was always spotless! I remember her and my Dad having silly little arguments over something or other and my Dad would tell me that they weren't speaking to each other, but then we would go over and visit. I know she loved her family very much and was proud of them. I am sorry for the loss of Aunt Dee Dee's life. I loved my Aunt Dee Dee and and already miss her. I pray that God will especially comfort all of my cousins Karen, Debbie, Nancy, and Bernie, and their families with the wonderful memories that they have and with the hope of the resurrection.*
