“ *My sympathy to the family. Death claims the lives of those we love. May you draw close to God in prayer and he will sustain you.- Psalms 55:22*

“ *Dear Susan and Judy, sorry to hear about your mom passing. She had been on my mind lately because I was going to send her something to give to you girls, it is on our family history, Judy I will send it to you.*

We really didn't spend alot of time together as cousins, usually a holiday thing. The strange memory that I have about your mom was her coffee pot, she had a glass drip system coffee pot where everyone else I knew used the perculator type. I remember your Uncle Bob, and your grandparents up the street from us on Linnhurst.

Well I hope your mom had a good life, and how lucky you were to have her around for so long. Warmest regards, Nancy.
