“ I knew Doris when I was a little girl and visted my Uncle Romanus and Aunt Olive's farm in Washington. Doris always had a smile! I visited with my foster parents Bill and Germaine Baumgartner Riddell. "Unc" was the older brother of Germaine. I remember four little girls in braids and pigtails who lived with their parents Doris and Dave at their grandparents farm. Kathy, many years later in the 80's I worked at Standard Federal Bank. I remember a very pretty young woman who worked in the Post-Closing Dept. I believe and would bring files down to the department I worked in and gave them to Barb Frisch. I remember this young woman left to have her first child. I believe this woman was you but I did not make any connection at the time. I tried finding you on the internet after I remembered but was unsuccessful. This is the only way I could think of contacting you. I would just like to know if my memories are correct. Thankyou.

“ I remember your mom's calm voice & her sparkling eyes but most of all I remember our house erupting in laughter when the Krings and Jones paid a visit. Your mom was solid ground that my mom could lean on when raising a parcel of kids all under the age of six with a husband in night school got to be too much. In each other they found understanding, humor and love.

“ So sorry to hear about Doris. Al and I had the pleasure of hearing her lecture at Saint Matthias and loved to hear her speak, she was a very passionate person. We had the pleasure of having her do the readings for Dorothy Byrd, truly warming our hearts. We spoke often in our home of your mother. Truly sorry for your loss. The Byrd Family

“ I am so sorry to hear the news of Aunt Doris. Doris was my Godmother, so she always made me feel special! It is so comforting to know that in the end she was at home and surrounded by her loving family!! GOD bless you all!!! I remember when us Lineberrys were visiting one summer and going to the Krings' home for a big fish fry. We ate on tables set up in the backyard. Uncle Dave had caught and filleted all of the fish which was then deep fried and so delicious. Growing up in New Mexico where we forced to eat fish on Fridays it was the first time I enjoyed eating fish. However, I made the mistake of announcing that I found a bone in a piece of fish. So Doris proclaimed that I won the prize for speaking up which meant that I got to do the dishes ha!. I've used that exact same line ever since for anyone complaining about finding a bone in something I cooked.
