“ *Grandma you have been the glue that has held our family together. The rock when we need good swift kick in the pants. The heart to kiss away our pain and most of all the teaser to make us all smile and giggle. You will be greatly missed but we know you will live on in each one of us, through faith & love. Till we see you again. Xoxo RIP.*

Doris would sing to my granddaughter when she saw us together, and Nicolette would calm and smile. Doris told me to be a success as a Mother all I had to do was keep them alive until they were 30. She was a wonderful roll model and mentor.
