“ Dear Dee,

I know that your heart and mind must be filled with sadness. Although I didn't know your mother, I felt that I knew her through you. You always had so many wonderful stories to tell about her and the way you spoke about your mother was endearing. Her memory lives on through you and your son.

A mother's love is something extraordinary.

I'm praying and wishing you and your family peace.

*Sharing in your sorrow with love and friendship,
