“ I first met Dorothy many years ago, maybe around 1980. Dave and Pattie had invited us to their home when family was there for a party and Dorothy was such a nice person. Laughter filled the home and she thoroughly enjoyed being with all. Thank you all for the pleasure of meeting her.
Donna Heflin and Larry too.

“ *My deepest sympathy Dave, Patti, and the entire Bousson family. While it is always difficult to lose a loved one, today's grieving is so much more difficult without the mourning process we have become accustomed to. Please know my thoughts and prayers are with you.*
