“ I would like to say that I was honored to have taken care of Dorothy (Dor) Columbo . I've taken care of her for 3 years at the facility and we laughed , we sung , we danced and had so much fun. And so much chocolate! Even in a different state of mind Dorothy had a lot of impact with her spirit , her sass , and motherly love and when she yelled to come you go !! God bless the family and may god continue to help you through this difficult time . Dorothy was such a great person
