Tribute Wall

“ *Divine Peace Bouquet was purchased for the family of Dorothy E. Faraday.*

November 15, 2019 at 12:01 PM

“ *I have known Dorothy for over twenty-six years just three years short of the time I had with my own Mother here on earth. I liked her from the start...her conversation, her manners....her elegance. She listened to me, shared her experiences good & bad & provided valuable direction in such a kind way and without judgment. I will miss her and am grateful that she is free from the toils of this earth. She was my second mom, and my life has been blessed with her in it. My Dad, Bill always said "Dorothy was a great woman. To really know her was to love her." I couldn't have said it better.*
