“ *Dorothy was a remarkable woman--she will be missed by many but, always in our hearts!*

“ *I never got to know her well... But from the very start... A great lady I had met... How she touched my heart. She always had a smile for me.. Each and every day... And witty, couragous words... To inspire and light my way. She never complained about her pain... Even though I knew... Her days that were rosy... Were so very few. Now she is gone from this world we know... And free of all her pain... Her smile and warmth are with me though... And always will in my life remain. At Ancor Dorothy always has a thought for all. She had a heart made of gold. One of the best people. This world Did ever hold..Never was she selfish. She was always kind..The world strongest woman..These will always be the memories i will treasure in my mind.. “ WOW!! Dorothy was a wonderful, fun loving lady. She will be truly missed. I worked with Dorothy at Ancor, she always had a smile and a kind word for you. I remember her stories about all her camping trips and cruises she went on, and she always talked about her family and how important they were. I can't help but think that her and Betty are now planning some type of get together with them and their husbands. My thoughts and prayers are with you.

“ Dear Aunt Pat, Uncle Chester and Family, We are so sorry for your lost, and extend our sincere sympathies. Your mother lived her life to the fullness. I will always remember her smiling, and being happy, and enjoying everything in this beautiful world that God has given us to enjoy each day. She loved family and friends truly and she made each day really count. We will always keep her and all of you in our prayers.
