“ Mrs. Dorothy "Dottie" Keefer had a major impact on my life. She was such a sweet, kind, loving, and godly friend and someone who was also like a mother to me. Dottie always looked forward to reading my handwritten notes in the cards that I sent to her. She loved and appreciated the encouraging and inspirational handwritten words. I knew that Thanksgiving Day was her favorite holiday to celebrate, therefore, I would always call or send her a card. I am so thankful and grateful I had the chance to surprise and celebrate her 80th birthday with her. Whenever we talked on the phone, and at the end of our conversations both of us would say, "I Love You". I'll miss Dottie, but I thank God for many cherished memories that are forever in my heart.

“ Dottie (mom) changed my life in every way: from teaching me to enjoy washing dishes 😬 cause that meant I had 'food' to eat' ,, to becoming a lifelong Sunday School teacher to this day. She found joy in every situation & had the gift of revealing the God given gifts in all. So mom, as you always said, 'I'm waiting for the sound of the trumpet'
