“ *The meaning of Dorothy is "Gift of God". I honestly believe this is what my Gramma was. I never realized how lucky I was to have such a great woman as my parent, role model, and Gramma. She helped raise me to be the man I am today. I can never repay you for everything you did for us but I'm going to try. I'm making major changes in my life and I owe it all to you Gramma. Thank you, thank you, thank you! I will always miss you but I know your in my heart. I love you Gramma, I can't wait to hug you again when I come "home!"*
