

Dorothy E. Ross

October 13, 1923 - December 12, 2017

Ross, Dorothy E., age 94, passed away peacefully on December 12, 2017 in Troy, Michigan. She was born October 13, 1923 in Slovan, Pennsylvania to Stephen and Marianna Zupan. Dorothy was the loving mother of Madelyn Carpenter; beloved grandmother of Amy Fischer and Julie St. John; proud great-grandmother of Dalton, Austin, Brianna, and Kaylee. She was preceded in death by her parents; and brothers, Stanley and John Zupan, whom she loved dearly. Dorothy was an independent woman and owned a very successful accounting practice for many decades. She was proud of her Polish heritage on her mother's side of the family and Croatian on her father's. She loved Polish food and going to Polish festivals, along with reading letters in Croatian from her father, and being an active member in the Croatian Club in Detroit. Health, wellness, and nutrition were a big part of her life, which she enjoyed practicing with her family. She was an avid traveler and especially enjoyed traveling to New York. Dorothy also loved music and dancing. Heritage and family were very important to Dorothy. One of her dreams in life was to return to her home in Pennsylvania, which she will achieve with her final resting place in Burgettstown, Pennsylvania.

She was one of a kind. I remember her playing games with us , on the floor with us. And her infectious laugh. She is missed. My condolences to her family and friends. Dennis

“ *I have very fond memories of going grocery shopping with my grandmother and singing the "lets go krogering song" and laughing a lot. I swam at her clubhouse, enjoyed snacks, and played backgammon for hours in the summer when I was little. I also recall the occasional trip to Hamtramck for authentic Polish food. Grandma loved to eat and she loved to laugh. Rest in peace.*

I also remember Grandmas cat "twiggy" who she loved so much and who lived to a very old age.

“ Fondly remembered, you will be missed. You blessed me with heartfelt memories as I was growing up, and created both warm, fun and funny memories with our family. Loved your sense of humor, and laughing with you, and I know that you are watching over us.
