“ Mike, Tom, Jon and Dan and families.....so sorry about your mom. We would like to be with you but Jon is now 90 and does not leave the house any more and I have remnants of Vertigo affecting me currently and am not driving often. I have fond memories of the times Mary and Dot and Aunt Alice and I spent together. I guess now the three of them can catch up on old times, play bingo and lunch! That's what we ladies do!

“ Unfortunately I had too few opportunities to spend time with this wonderful woman, but even in my youth it was obvious that she was a kind, delightful, smart, strong, wonderful woman anyone would be lucky to spend time with. We were blessed to have known her. Fortunately the wonderful traits of both Dottie and her husband Gene were passed on and live in their children. I'm sure she will remain a strong presence in the hearts of all her knew her. She will be kept in my heart and in my prayers.

“ Our deepest sympathy goes out to the family. Dorothy was a wonderful woman, I have so many fond memories of her. I was especially grateful to her for coming to visit my Mom near the end of her life. Mom was in the end stages of Alzheimer's at the time and smiled for the first time in a long time when she saw Dorothy! I know they are hugging each other now and possibly playing Bingo together! God's speed special lady!

“ Dorothy will forever be remembered, loved missed as the most loyal friend to both of our parents! After our Mom passed, followed by our Father, Dorothy made it a habit of calling to chat and offer a friendly word to let us know she was there for us. She was the person I would call with good news and bad. She always had good advice and a cheerful outlook. Peace to her lovely family. She was so proud of all of you. I personally feel blessed to have had her in my life!
