“ Dear family: I am sorry for your loss. I wonder if this is the same Dorothy Wilson who worked for my grandpa, Warren King, at Superior Polishing Co. in Warren, MI...during the 1960's? I was just a little girl at the time, but remember her well...she always had gum and candy for my sisters & I!!

“ To Our Dear Mrs. Wilson, God has blessed many generations of our family with your presence, patience, laughter, and love. He blessed you with a heart and smile that welcomed everyone that met you and kept you in their hearts. I remember the many walks that were suppose to be for exercise but the main thing that got stronger was our hearts. Hearts full of love and our head full of your wisdom. You and your family were so much a part of our extended family, no matter how many of us that kept coming, your home and heart was always open for all that came. Although you will be greatly missed by all of us, I know you will be with those that loved you too. So God's love and courage on your journey home, and God's speed. We will miss you, our "Matriarch Of Mayfair". Our Love Always, Sandy, Justin, and Jeremy

“ She was a very kind wonderful lady that I had the pleasure of growing up around. She will be missed by everyone on Mayfair Street. If they weren't eating her vegetables or strawberries from her garden. They were getting some goats milk ice cream. Strawberry was my favorite. She will be greatly missed here but now she and my Grandmother Irene can have thier afternoon coffees together again. My condolences to here daughters.

“ Dear Mrs. Wilson, Our entire family is sure going to miss you. You were our next door neighbor, family friend, Mom's exercise partner, and the Mother of the two amazing girls next door, Barb and Marge. I want to personally thank you for all the patience and kindness you extended to me all of my life. And though I am sad that you have left us for now, I take comfort in knowing you are in heaven celebrating your new eternal life, and I look forward to having you as our next door neighbor again.
