“ I met several months before his passing. We hung out every day. He was a caring and generous guy. He was kind to every one. He was always optimistic and full of hope. He helped me become a more spiritual person. He was a dearly devoted father. He talked about his children constantly. His spirit is free now. The last time I saw him we waved good by and wished each other good luck and hoped we might stay in touch. I feel lucky to have met such a great man.
