“ *Such a great guy, for the last 30 years he has been part of our lives and so many memories to keep us going. I am proud of the tough fight he put up, his will and determination to keep on keeping on. I have learned so much from Doug over the years, he will be terribly missed by our family.*

“ *It was a long tough fight for a proud man who did not want to give up. I will think of him and smile every time I go up north. I will admire the trees he planted so long ago and remember all of our happy adventures together... fishing, splitting wood, walking the trails and the best part of the day, coffee by the campfire as the sun came up. He will be missed and my prayers continue for our entire family.*
