“ We have known Mark for several years, meeting him initially when we both worked for Romeo Schools. Later, as president of the Romeo EA, I had occasion to work with Mark on labor relation issues. In 1997, after Mark accepted the position of superintendent for Capac Schools, he contacted me with information about the position of Director for Special Education serving Capac, Memphis and Yale. I was part of Mark’s adminstration team from March 1997 until I retired in June 2002. Mark was a good boss, mentor and friend. He even got me to join the Capac Lions! We extend our deepest condolences to his family and close friends, remembering them in our prayers. Sincerely, Connie & John Masi

“ Mark was a friend to all when he lived at Waltonwood. He shared his beautiful voice with the residents and enjoyed going on the bus trips-especially the casino. He also shared a deep Catholic Faith and was a very generous person to those in need. Till We Meet Again Mark- You made us smile your friends B. G. and N.
