This is my cousin whom I loved very much.....we sporadically kept in touch but not often enough. We grew up together and had fun and fought like brother and sister. He let me drive his Gran Torino!!! I remember getting gas after driving around.....he'd come out and put in 50¢ worth of gas in!!💕💕. I found out he passed away from a picture that was posted at one of my class reunions. I'm still in shock over that and regret so much not staying in touch more!! I love you dear cousin and miss you!!! RIP.....your loving cousin. Carol (Lucewicz) Krystof
