“ Grandpa I miss you so much already.It's funny how quickly I adjusted my schedule to be able to visit you at the nursery home. I know in my heart that you are in a better place right now, but it's hard to think of life without you. I will miss you on my "big day" but know that you will be watching over me. I'll continue to take care of grandma in whatever way I can....Untill we meet again. I love you.

“ We have only known Wanda for a month, but we extend to her and her family our deepest sympathy upon the death of her husband and soul mate. She was his greatest cheerleader and supporter and he was her handsome groom. May all of you find strength in God's amazing grace.
