“ Mom - It is coming up on 5 years that you have passed and there are not many days that don't go by that I don't think of you. I miss you so much. I got a house, by the water and only wish you were here to see it. It's small - but has a big covered porch that I KNOW you would have loved to sit on in the summer.. a nice fenced backyard and even a basement!! I know you are with me mom. I just wish that you were physically here with me because I miss those times when it was just you and me. There weren't many, but those times were important. Christmas is especially tough - we always spent that day together.. just you and I. Now, it's just me. Well, things change I guess. I hope that you are with the rest of the family.. and that you are at peace and happy now. I know you miss your kids, but we will be with you in time. I love you mom. Your loving daughter, Barb
