“ Gail and Family: So sorry to hear of the passing of Earl. We loved Earl and he was such a sweet guy and came up with some funny sayings at times. 84 is when my folks passed and we said that we were grateful they were able to live that long of life. I'm sure he'll be happy back with his wife.

“ Dear all, It was wonderful to know and love Uncle Earl. When we were growing up, he was always there on every holiday and often through the weeks. Every Christmas he and Aunt Betty would have an evening of great food, Uncle Earl would play the organ and we would all sing Christmas carols for hours. He loved playing cards, Charles Chips in the huge cans and mixed nuts, and they were at every event. He was a great father and loving husband and a wonderful uncle. He was also a kind person that you could always count on to be there if you needed him. He will be missed. Love,  
Carol
