“ *My deepest sympathy to Bruce, Sharon and Danny love you.*

A sad day when we lost Earl .For me a work companion, fishing buddy and social joy. He introduced my wife Geri and I to Spain, fine dining, and great fishing in the boundry waters of Canada I could go on forever reliving all the fun times Earl and I,Earl, Irene, Geri, and I had together.

As with all the people in Earl's life we will shed many a tear. Keep a spot for all of us Earl,looking forward to renewing what we have painfully have lost. Rest in peace.

*Your buddy,
Paul*

“ *Earl shared a birthday with my husband Adam, so our treasured memories of him are from their joint birthday celebrations in December. We met at Loui's in Hazel Park for birthday pizza & beer, then Earl would invite us over to his home in Madison Heights for dessert & coffee. Our 3 kids were especially fond of "Mr. Earl" and looked forward to this annual outing. Our kids are older now, but I remember Earl being so patient with them when they were small as they explored every room in his home and asked an endless number of questions! We plan to have a pizza and toast to Earl's memory at Loui's every year. What a wonderful man who will be terribly missed.*

“ We lived next door to Earl from 1993 until he sold his home about 5 years ago - He was the best neighbor, and we valued his friendship. We had many cups of coffee and dinners together. Even a few glasses of wine! lol We missed him dearly when he moved but kept in touch. Earl was the kindest person you could ever meet. Condolences to Bruce, Sharon and his entire family, Earl will never be forgotten. Dave and Kim Mifsud

“ We had a great time spending time with Great-Grandpa Hubbard whenever we were able to come to Michigan to visit. This picture is from our last trip there to visit.
