“ Eddie was a good friend and always a pleasure to see. While I haven't seen him much since I moved from the Royal Oak area, he was still at the top of my list of favorite people. My sympathies to Ute, family and friends who will miss him very much.

“ *One of the best things to ever happen to me in my career at Snookers' was to have Eddie decide he was going to be a great pool player before he died. As a bartender who was average at pool, I could show him a few things in the early days but he was beating me solidly by the last time we played. I would pop back into town every once in a while over the last couple of years and one of my greatest pleasures was talking to Eddie. The most interesting man I have ever known. God Bless You Eddie Van Pelt.*
