“ Edie will always be in my memory as a fun loving, laughing addition to any function. She was a friend to many who extended beyond her immediate family, including me. Her light is a guiding star for us. Our Condolences and Love, Mary and Garry

“ Edith Kripli and her family were my foundation as a child. We grew in their family's love and were kept safe and secure under her wing. With five of her own to care for she opened up her house, front porch and - backyard "dirt pit" to all six of her neighbor's kids. Because of Edith I never felt alone, never felt unsafe and always knew my bruised knee would be cared for. Bless your family as you celebrate her life - and thank you for all you gave to me.

“ Our deepest condolences for the loss of your mother. Recently I lost my father, but what helped us to get through this low time in our lives was my Dad's love for us that didn't stop with his passing. We also found strength in the words of the 'Dash poem' by Linda Ellis. God bless you all

“ I first met Edith in 6th grade at St. Marys where we exchanged whispered jokes in the cloakroom. We sang in the choir, and I stayed overnight in her warm, loving home. She had a zest for life always; whether crowning the statue of Mary, or dancing the polka. It was a privilege to have known her. Edith was a treasured friend, and will be sadly missed, but remembered with a smile.
