“ The Green family send their condolences to the Piche family. Edith and I met about sixty years ago through school car pooling. We became good friends; we took many side trips together in Michigan and Florida. Sometimes we got in trouble along the way, but it was usually Edith's idea. We were experimenting; such fun! I will miss her, but not her cat.

“ Mom came to dog sit while we went on a vacation. I told her the dogs don't belong on the furniture. So, we get home and she has both dogs on her lap on the couch. Mother knows best, I guess.
