“ *Aunt Sue, Uncle Ollie, Steve and Gary We were so sorry to hear about your Mother/Grandmother. She always was full of cheer and always special to us. She always so nice to everyone, everyone always enjoyed her company. May there be peace in your hearts that she is now with her maker. I know how hard this can hurt to lose your Mother, but time will heal your broken heart, day by day. Our Love and Prayers to Her family, Mrs. Morgan will never be forgotten.*
