“ Dear Greg and Family, We were so sorry to hear of your mom's death. She was such a delight and one of the warmest, kind and generous souls that have passed this way. Her conversations were so enjoyable and one could count on the conversations being peppered with jokes. She ended conversations with "I love you and you know that's my southern thing". She will be missed. Sincerely, Dorothy and Ed

“ Greg,Joe,Billy and Dave. I am sorry that I did not learn of Edna's passing away until I called Dave today. 10/04/14 I have tried calling several times and have got her answering machine. I have lost my best friend and I am so sad at this time. I know she's now with Jerry and Jesus. What better place could one ever ask for? Know that I loved her dearly and I will miss her so much.I only wish I could have had more time to have spent with her. I know it has been a difficult time for all of you. She always had a way of expressing herself that made me laugh. We could talk about anything. I don't have that kind of relationship with anyone except her. So you realize I will miss her tremendously. I am so sorry for your loss. Kathy J. Vaughn
