“ I am so sorry to hear about Mr. Bartkowski's passing. He has held a special place in my heart for so long. I remember him from the time I was little when he and Mrs. Bartkowski lived a few doors down from us on Franklin, then got to know him better when we became reacquainted through the Meals on Wheels program, which is when I like to think we became friends. I still have the vase that he gave me flowers in for my birthday, and I still have some of the lotion and soap set he gave me for Christmas one year (I've not wanted to use it all so I could always have some of it with me:-). My favorite memory is when he invited me to Stephen's Cafe for lunch and when I showed up to drive us there, he was all dressed up in his best suit and tie. I felt so honored that he felt the event called for putting on his Sunday best, even though it was the middle of the week. I loved hearing him talk about his grandchildren, whom he loved so much, and especially his dancing days with Mrs. B that he talked about all the time with such a wistful smile on his face. I bet they're twirling the day away in Heaven as we speak.

God bless you, Mr. Bartkowski, and thanks for your kindness and friendship.

With love, prayers and sympathy to your family,  
Julie Szydowski

“ To the family of Ed Bartkowski: Please accept my sincere sympathy for the loss of your loved one. While we don't know one another, experiencing the devastation of losing a loved one is something we all face in our lives. The Bible promises a time when "death will be no more" (Rev 21:3.4) and assures us that God hears our prayers (Ps 55:22). I hope this brings you some peace during this difficult time.

“ Extending our sympathies to Pat, Mary and her family. We have such fond memories of him and your mom. We remember an especially great visit out to Minnesota when they visited a service buddy and attended a service reunion. Now he's in Heaven hunting rabbits with Aunt Jay :) Love to you, Laura (Bartkowski) and Bob Powers
