

Ed Harrison

October 8, 1966 - April 11, 2020

Ed Harrison, age 53, passed away at home on April 11, 2020. Ed is survived by his wife Linda, sons Eddie and Danny, parents Ed and Connie Harrison, and sister Dawn Harrison, as well as many nieces, nephews and dear friends. Ed was best known for his gentle confidence and his unconditional love that he gave his family. Ed never let his heroic battle against cancer get him down and provided an example every day of how to show love through kindness. He was an avid sports fan and athlete. He never lost faith in the Lions, kept score at the Tigers game and loved nothing more than an overtime win for the Red Wings. Ed was a graduate of Michigan Tech University and worked at L and L Products in Romeo. The world truly lost a superhero.

A bench and tree will be dedicated in Ed's honor this summer, and all are welcome at the memorial following to celebrate his life and legacy. In lieu of flowers, donations would be appreciated to Child Advocacy Non-Profit, Meals on Wheels or your favorite charity.

“ *Unflappable. That's the word that I would use to best describe Ed. My husband and I both ran track with Ed in college. In addition to being a good friend and funny to boot, Ed ALWAYS ran anchor for our 4X400 relay team. If you know anything about relays, you want one of your fastest people at anchor, the last person to receive the baton and carry it across the finish line. Ed is the best come-from-behind-finisher I know. It didn't matter how far behind our team was, or how awesomely fit the person looked that Ed was chasing down; he almost ALWAYS caught him. At least that's how I remember it. He was, and probably still is, a legend. He had heart... and was unflappable.*

Our hearts and prayers go out to Linda, Eddie & Danny. The world has lost a good man.

The fight is now over. Ed has rounded the final curve, and crossed the line at the end of the straightaway. Rest In Peace, Ed, our dear friend!

This is Ed waiting to receive the baton at the Indoor '87-'88 GLIACS meet. He probably won the race despite receiving in 3rd place.

“ Dearest Family, I want you to know you have been in our hearts and prayers. We are thinking of you. We love you. My memories of Cousin Eddie are the times we all got together for Thanksgiving Dinners at the church in Kingston with the Heron family. My heart hurts that Cousin Eddie will no longer be here on this earth. He was such a good husband, father, and man will leave a whole in all of our hearts. My condolences to my loving family at this sad time.

“ One of hundreds of memories I have of Eddie is when he was in college, and I was going to Massage School, in the summer he would come up here and we would have marathon scrabble games! We had so much fun, we used words from our classes and if we challenged one another we had no proof it was a word, so we just laughed and played on. I even beat him a few times. YAY. He was a wonderful nephew.

Ed was just like a brother to me. We shared a love for hockey and spicy-hot Thai cuisine. He will be greatly missed.
