“ Ed was a great man, I enjoyed our many years I got to be a part of his life. I have always considered him a father. The memories I share with Ed growing up are so many, the thing I always remember most was his spirit and his love for the water and the joy and peace it would bring him. Weather it was racing around the lake in the boat with his famous thumbs up or quietly sitting next to the water listening for the loons. He loved the loons. I am sorry for his family and the hardships they are going through. Ed will be missed by everyone who knew him.
