“ A very special friend has left us. He has given us many precious memories that will never go away. Double dating with my future husband, standing in line to see the Four Freshman--Sally and Eddie were there. I must say Eddie is the best dancer ever. Dance on my friend.

“ I am so deeply sorry for your family's loss. Ed was one of my favorite people - EVER! I count myself blessed to have known him, learned from him and worked with him. He truly was "Father Seatbelt" and had the most amazing sense of humor. I loved it when we were able to work on some of the same cases. Please know that your family will be in my thoughts and prayers...

“ Though it had been many years since I'd seen him, I have such enormously fond childhood memories of "Uncle Ed", as he was to me. I am so sad to hear he is gone, and sorry that I cannot be present on Friday. I send my love to Sally and Ed's whole family. I am thinking of you all this week and beyond.

“ A very sad day. I have some of my best childhood memories spending time in the summer on Donnely St. Swimming, boating and playing baseball behind the elementary school. Later on, all the get togethers at the lake. My uncle Ed was always there to help my mom when she needed it. She was always so proud of her big brother like we all are. Donny is right, "the end of an amazing era".

“ When I think of my cousin Ed,I see a very handsome man, with a soft voice, a bit of a crooked smile, sparking eyes, and that great head of curly hair. I can't even remember Eddie without Sally. With all his accomplishments, he certainly was a man to look up to; then, now and forever. Sally, my heart and prayers are with you and your family.

“ Mr McKenna was an anchor for me in many ways when he worked together. His warmth, smile and genuine caring nature counts him among the nicest people I have ever met. The world would be a better place with more Ed McKenna's walking the earth. I will miss him. We all will miss him.
