“ Carol and Paul I was saddened to here about Ed's passing I know he has been ill for a while. It has been a long time since I have seen him but each and everytime I walk the beach at Port Austin I think of all of you. Childhood memories they are the best and people always look the same and we never get older. Ed and you as well Carol were always so kind to me. Paul you were very young but the one thing I can share with you was how proud your Dad was of you. I have shared the times we have spent at Port Austin with all of you with my children. They love Port Austin as much as I. I will pray for all of you during this time. I feel fortunate to know all of you and will always cherish the times we spent together
