“ Love is stronger than death even though it can't stop death from happening, but no matter how hard death tries it can't separate people from love.Â It can't take away our memories either.Â In the end, love is stronger than death. I love you Ed, no homo.....

“ Growing up, I enjoyed the flag raising competition that the Roricks always won and later, getting to know Ed's children. More recently, I could count on Ed to look out for my dad. Another good neighbor is gone and will be missed. Carolyn

“ We were sad to hear about Ed's passing. We had a lot of fun and laughs when we got together. Your dad loved you and was proud to be your dad. Keep his memory alive by sharing your fun, loving and precious moments you had with him. May you find comfort and feel his presence while sharing these memories just as if he were giving you a big hug. Our love goes out to all of you-- Joe, Jess, Ed and your families. Hugs and kisses and our deepest sympathy, Uncle Johnny and Aunt Nancy
