“ *Ed Ross was a fabulous story teller and a talented musician. His sense of humor was enjoyed by many. I am a richer person for having known him.*

“ *Eddie will be missed, not just a great person, but a great friend, having him sing to my music back in the 70's, to just laughing about anything, one tuff indiviual, great boxer ! The Cadilllac man has gone to rest.*

“ *I am sorry to hear of the passing of Mr. Ross. I am certain that he will be greatly missed by many, especially those in his family. The death of a loved one is a very painful, emotionally crippling event that is not a part of the Creator's purpose for mankind. Notice this comforting promise the bible makes regarding the near future. Isaiah 25:8 reads: "He will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces. And the reproach of his people he will take away from all the earth, for Jehovah himself has spoken it." I hope this scripture can in some small way bring you a measure of comfort.*
