“ Ed helped break me in when I came out of the academy in 68 at # 2
He was a good cop. Rest in peace my brother.

“ I knew your father and mother thru my father Carl when back in
1970 we all took our first trip to Au Train, I was 13 at the time and it
was quite an adventure as it took us 14 hours to make it up there
due to our family car, thank God we had Ed with us to do repairs as
we chugged along. We were greenhorns at the time and your Dad
exercised all the patience he could muster to teach us the basics of
Fishing, Boating and such. My parents loved it enough to buy a
cottage in Au Train and then after my father's retirement from the
force they settled in Houghton. Both have since passed in 07 and
09 and our sympathies are with you for your loss. Dave, Steve and
Kim Hall.

“ Ed, we miss you and Gail already. I will
especially miss seeing you sit outside not
bothered by our cold weather as we hid inside
convinced that it was freezing at 50 degrees.
We're going to miss you and Our long
conversations. We were truly blessed to have you and Gail as
friends and neighbors and will always have you both in our hearts.
