“ *I am so sorry to hear about Uncle Ed. I hope God will grant you peace and understanding at this difficult time. I will remember the family gatherings when i lived in Mi and have fond memories of Uncle Ed through the years. I will keep him in my prayers and pray that he is at peace. Vic has met Ed when we would go to Mi for vacation and always enjoyed talking to him about hunting. May God help you through this time of sorrow. Vic & Pat Senko Westerberg*

“ *I have only the greatest memories with Uncle Ed. He was a loving, caring, and truly altruistic man! You are missed, Uncle Ed. Sometimes there are no perfect words, only silences that can convey the soft whispering message of love and empathy. My silences are for you, Uncle Ed.*
