“ Eddie was a great dad. He worked 2 jobs most of his life so mom could stay an home when Tom and I were younger. He always made time for us and found enough money to do the little things that make life worth living - like a swimming pool in the yard, tiger games once in a while, bowling leagues, Cedar Point trips every summer and so much more. Thank You for everything dad, you will live in my memories forever! Love Donna

MA

Eddie was a good man whom I really liked  
He always treated me with kindness and friendship  
I still remember the time that he gave me a lock tool just out of the goodness of his heart  
I will remember him in my prayers and remember him fondly  
For the rest of my life
