“ *Today and always, may loving memories bring you strength, comfort and peace. Your Dad – Grandpa was a kind, gentle and extraordinary man that I have known since I was two. Hold tight to memories for comfort, lean on your friends and family for strength, and always remember how much you are cared about.*

My heart is with each one of you and I love you dearly!

“ Dear Janis, Gary & Keith,

*May your dearest and fondest memories of your Father's Love
Comfort you and bring you peace
Of heart at this sad time and always
Recall the joy and happiness you brought to him for truly you made
him
So very proud and happy with every visit, phone call or kiss upon
his cheek.*

*A photograph comes to mind with your Dear Father dressed for
Memorial Day and riding proudly his motor cycle at an age when
most men would have put their bike aside, your Father's love of
Country was present as he proudly road with the U.S Flags flying in
the wind, thank you for sharing his photograph with me, it revealed
so much about his great character!*

*May the Dear Lord Bless you Janis and your Family as you lie him
to rest in peace.*

Our sincere condolences,

With Love,
