“ Jim and I enjoyed many happy times with Eileen and Bill while in Florida. We would go to a new restaurant to have dinner, play cards and have a delicious chocolate dessert. I also had the joy of sharing a June birthday with Eileen. We would gather with our dear friends from the prayer group and celebrate with lunch. Eileen was a very strong woman with a gentle spirit who lived her life of faith beautifully. She talked with love about her family and was always praying for them and her friends.

“ *Eileen was a giant of faith. She believed with joy and she fought with great strength. She was a woman of deep prayer and so much kindness. Her children are a testimony of both her goodness and their goodness. They stood by her and gave her so much love and joy. We feel so blessed to have shared life with Eileen and her husband, Bill, and her wonderful family. She is one of God's holy, holy saints.*

“ *Eileen was my prayer partner for over 25 years. She always had a spirit of gratitude even through difficult times. She trusted in the Lord and her joy came from deep within. She was a wise sage for me and I will miss her dearly yet confident that she is rejoicing with the Lord. I grieve with her family yet celebrate her life as a Godly woman.*

*I was the youngest of the Bolton clan and being 6yrs younger than my closest older sibling I got my mom all to myself. She was such a fun friend ice skating, shopping at the Mall, getting lunch, talking . In high school I was not fun to be around but I knew she was only watching out for me. I was just looking for independence and she had my side. As she always did through my whole life. She was a great listener and went to her for advice many times and I believe she showed me how to be loving and humble. I wish I could have been with her to hold her hand*
