“ Sorry to hear of Aunt Elaine , she will always hold special memories with me, although we haven't kept in contact since my teenage years she was always thought of! I remember the times we got together for her wit, charm and care while I was growing up, especially the time I got a Beatles album not exactly Aunt Elaine's type of music but due to my excitement over the album showed quite the interest in it knowing how much it meant to me. I will cherish all my childhood memories but that memorie of the Beatle's album will always stand out Aunt Elaine will always hold a spot in my heart, she will be greatly missed.

God Bless you and your family in this hard time.
