

Elaine Frances Romain

April 1, 1940 - December 1, 2018

Elaine F. Romain of Troy, Michigan lovingly joined the presence of the Lord, after a long struggle with Dementia and Alzheimer's disease.

Elaine was born to Frank and Wilma Yandura on April 1, 1940 in Detroit. A graduate of Visitation High School in 1958. She went on to marry the love of her life Robert (Bob) Romain in 1968. Together they had a son, Michael (named after the Archangel) in 1969. Shockingly, Bob passed in 1970 at the age of 36, when Michael was just 8 months old. Elaine, while quiet and very reserved, was courageous, strong and resilient. A newlywed, a first time mother and a widow at just 30 years old; she raised Michael as a single mother, took employment at his school to be close to him, and then went on to a secretarial job until her retirement in 2007. Elaine is survived by her son Michael (Michele), her Grandsons Cooper (8) and Nolan (6); her older brother Leonard (Pam), her younger brother Richard (Lila) and her younger sister Cathy as well as many nieces, nephews and cousins.

She was deeply loyal and loved her family. She enjoyed her Grandsons and their constant energy. She was very proud of her son and his accomplishments and while we will eternally love her and miss her, we take great solace in knowing that she is finally reunited with her beloved Bob and now rests with a clear mind and a rested soul.

In lieu of flowers, the family asks you to consider a donation be made to the Alzheimer's Association in Elaine's honor, www.alz.org in hopes that one day, there will be a cure for this debilitating disease.

“ *My sister Elaine was a funny lady. She always had a smile on her face, a ready helping hand to anyone who needed help and was generous, easy to talk to and laughed a lot.*

As kids growing up we had fun playing with neighborhood kids, especially baseball in the street, although a few windows were broken now and then. At night we would catch fire flies in our yard during the month of July and played hide-go-seek around our house.

Life was simple then, we made our own fun and used our imagination to keep ourselves busy and happy. There were so many kids in the neighborhood we always had some one to do something with. Winter time was building snowmen, ice skating and snow ball fights.

The days of our youth were all to soon over, but not forgotten. As we grew older we missed those simple but fun days and we talked a lot about them. They are just memories now but I'm glad I have them as brother and sister.

Your loving happy smiling face and all the fun we had as kids will be in my memory as long as I live.

*Rest in peace and put in a good word to Saint Peter for me.
Your loving brother, Richard*
