“ Still miss this very special lady. I miss you grandma and love you very much. I wish there was something that could have been done to where you were still with us today. You have miss a lot but everyone thinks of you every day. Thank you for being there for me when ever I needed you and for being the greatest grandmother in the whole world. This world and our family is missing a very huge part but we are better for having known you and for you loving us like you did
