Tribute Wall

“ I am saddened to hear of El's passing. I just heard about it. El was a great guy, a funny guy, always had a story. I worked with El for several years, through a few different programs. I was new in the department and El helped me, he was a mentor to me. I'm thankful I had the opportunity to meet him, work with him, and will remember him fondly. My condolences to his wife and son, and other family. RIP El.

“ El has always been someone I have respected, and just as importantly someone I trusted. His humor and intelligence always appreciated and admired. I've worked with and traveled with El many times over the years for work and he shared stories of his family and ventures; when I think of him I often also think of his family: and even though I never met them personally, I feel a connection with them as well from all those times. I'm truly saddened for the loss of such a great person. To his family my heart reaches out, know you were always so well spoken of and brought so much joy to his life. Rest in peace El my friend.
