“ *Aunt Eleanor, a beautiful new star shines in the sky tonight. Thank you for always being a loving aunt and godmother to me. Mostly, I want to thank you from the bottom of my heart for helping to take such loving care of Mom, your sister, at the end of her life. I know she was waiting at heaven's gate along with the rest to show you the way. Rest now with the angels,.... until we meet again. Love your niece Lori.*
