“ To all the family, We had many good times when our families got together so many years ago. Me standing up in Paul and Linda's wedding. Your parents looking so handsome and proud. At least one vacation that I remember. Linda had to swim out and save my life. I was on a rubber raft that drifted out and I had not learned to swim yet. Many communions, baptism, etc. parties. There are many good memories to hold close to everyone's heart, so that are love ones never really die because they are always in our hearts. By the way, I think my email address may have been typed wrong on the previous message sent by my dad. He is still working 4 days a week at my cousin's store!! My mom is not doing so good. She is losing her memory and having a hard time thinking of words. Sorry we were not able to make the showing. Shirley
