“ After meeting Friede in Virginia while visiting friends, I realized she lived at the same Senior Housing that my parents are residing at. We became fast friends. I always took the time to visit her and her dog Max. She will be missed!

“ I'm very sorry for your loss. I worked with Frieda at Sveden House many years ago. She was a wonderful person.

“ My sincerest condolences on the loss of your mother! I only met her a few times in the chemo room in Tucker's office, and she seemed like a wonderful woman. She talked with great pride about her family, and although she was very sick, she always asked how others were. The first time I met her, I asked whether she was "Andre's mom," and she answered yes, I told her how much I appreciate him. Anyone who spent more than two minutes with her knew how much she loved her family. All of you are a tribute to the character of this strong, amazing woman, and I am proud to say that I knew her, if only a little! Sincerely, kathy szerszen
