“ Dear Family of Betty, It has been many years since I last saw Betty, having moved out of state, but I have fond memories of her when we were both members of the Detroit Alumnae Chapter of Sigma Alpha Iota. We often rode together to the meetings since we lived in the same neighborhood. Along with her sense of humor, Betty had a big heart and would do anything to help others out. My thoughts and prayers are with you. Sincerely, Nancy Cioni

“ Dear Family of Betty Armstrong: It is sad to know of our losing Betty at this time. For many years, Betty was a lively and Active Member of Detroit Alumnae Chapter of Sigma Alpha Iota for which, I am currently President. I remember what a wonderful sense of humor she had when she was with us! We are grateful that Betty held many offices within Detroit Alumnae Chapter in order to keep it going and growing! Please, E-mail me information about how we may be able to contact a family member with regard to Betty's wishes for her SAI Pin and SAI Memorial Ceremony. Thank you! Sincerely, Dorothy J. Duensing, President of Detroit Alumnae Chapter of Sigma Alpha Iota, Director of "Strolling SAIs" for National Convention 2006 in Orlando, FL

“ I am a Sigma Alpha Iota sister of Betty's in the Detroit Alumnae Chapter of which she has been a member since Albion College. She has served in several offices, was awarded the Sword of Honor in 1968 and played clarinet for our musicale. Although she was an inactive member, we are saddened by her passing. Please contact me 248-656-0730. Thanks.

“ Dear Fran & Larry & Family and Bill & Shirley & Family: I am very sorry to hear of your loss. I just found out about your Mom's passing around 2:00 pm today, Friday, December 21, 2007. I am very sorry I missed the service. I definitely would have wanted to be there. Your mother was a very dear friend to me for many, many years. I met your mom at a time in my life when I needed a friend, too. I loved her as if she were my own mother. She was a wonderful caring person to everyone she meet and that includes people and animals alike, and no one could ever say a bad word about your mom. She was the Very Best, and I will miss her just as I know all of you will miss her. Just know she is in a much better place now. She was always an active person, and I am sure the last few years of her life were very difficult for her because she could not remain active as she had been in her younger days. I am sure she is lovingly taking care of people and all sorts of animals in heaven just as she had on earth; and when she is not doing that, she will be playing clarinet with the best musicians and taking long walks along the beach. GOD Love her Forever!!! I will say prayers for your mom and all of you. She would want all of you to be good to each other, take care of each other, and continue to carry on doing the very best you can given today's difficult living circumstances on planet earth. You are all in my thoughts and prayers. If ever you should need some help or I can do something for you or you just need to talk to someone, please give me a call any time and just let me know Home: 313-836-9154 or Work: 734-738-2639. I will never forget your dear, sweet mother or any of you! My heart goes out to each and every single one of you with my sincerest condolences to ALL of you. God Bless you Always!!! Love & Blessings to each of you this sad holiday season. May 2008 offer you new hope for a brighter and happier tomorrow!!! Keep your faith & God will get you through this difficult time in your lives. ALL my Love to you & God Bless you!
Sincerely, Chris Buchner

“ *Bill and Shirley, Celeste, the boys and I are praying for you. The boys remember visiting your Mom a couple summers ago at your house and said they are sorry and hope she is an angel in Heaven. Take care and we'll see you on Thursday. Bill*
