“ Chuck and Jan: It has been too many years since we last met; I heard of the loss of your mom, Chuck, through my sister, Kathee. We both remember Betty as a kind woman, loved by her children. She is gone too soon, too young. Please know you and yours are in our prayers. Marg Toth Perez and Kathleen Toth Banovetz

“ Now that I am a mom I know the hardest thing to face would be leaving my kids behind. But I do believe with all of my heart you now have a most special Angel looking over you all. She will always be there in your heart, watching over you and loving you. My prayers and support go out to you and your family. Love to you all.

“ Our heartfelt sympathy to the Augustine Family. Our thoughts and prayers are with you. Betty and I were neighbors and friends during our high school days. After many years of having no contact we reconnected and enjoyed visits, phone calls, and e-mails. I have many wonderful memories that I will cherish.

“ I met Mrs. Augustine a handful of times over the years and was always impressed by her warmth, generosity and good humour. Rare, indeed, but I could hardly be surprised since I know her son Dan quite well and none of these qualities was ever wanting on his part either. My condolences to Dan and his family.

“ *Betty and I shared a first name, we each married a Charles, and each had five children. My son married her daughter and now we also share two grandchildren. Her stories of her family were told with laughter, pride and love. Betty's valiant fight with the evil that is cancer was courageous yet I never heard her complain. Laughter is how I will remember her. Laughing, head thrown back, mouth wide open enjoying the joke, the story, the quip. Betty enjoyed life.*

“ *My mother-in-law Betty was such a kind, caring, strong, intelligent woman. I am grateful that I was given the opportunity to get to know her. My daughter Maggie is so lucky to have had her as a grandma and I am saddened that she will not be able to grow up with her in her life. she is merely 2 1/2 but Grandma Betty will always remain on our minds, in our conversation and in our hearts.*

“ *Aunt Betty was a strong and courageous woman who held her family close. She made sure to keep in touch with her nieces and nephews and came to visit us even when it was hard to travel. I will miss her!*
