“ *May the hope at Isaiah 25:8 bring the Bissonette family much comfort, here God assures us that death will be swallowed up or removed from all the earth. This is something that we can look forward to in the near future.*

“ *Our deepest sympathy on the loss of your loved one who is now enjoying eternal life with her Lord and Savior free of all pain and suffering. God has promised to be "with us at all times" and He surely will lead your family through these dark days ahead. Some day all believers will share that eternity with her.
